The Kentucky Association of Milk, Food, and Environmental Sanitarians is an organization for industries, regulators, and supporting operations to provide professional training and information, as well as promote public health. Membership is open to all individuals working or interested in environmental health professions and the promotion of public health.

***Is your business ready for the FDA  
Model Food Code to become effective in  
Kentucky?***

~~~

***Do you and your staff have the tools and  
training which will benefit you in  
implementing the 2005 FDA Food Code  
in your facility?***

**Here's your chance...**

The 2005 FDA Food Code as referenced by KY's Food Code becomes effective May 2010 and the Kentucky Association of Milk, Food, and Environmental Sanitarians (KAMFES) is providing information at our 40<sup>th</sup> Annual Conference for our industry members. We extend an open invitation for you to attend so that you may become acquainted with the new regulations. Seating is limited.

**Location:** The Brown Hotel in Louisville, KY  
**Date:** Tuesday February 16, 2010  
**Time:** 12:00 - 4:30PM (refreshment break included)  
**Cost:** \$30 per person (parking additional)

Registration information and an agenda for the conference may be acquired at [www.kamfes.com](http://www.kamfes.com)
